Richard Valdez
Candidate
Hollywood City
Commissioner, District 1.

Civic leaders asked Richard Valdez what he would do about crime if he were elected Hollywood City Commissioner. He thought, “Why wait until election day?”

Richard is campaigning with a sticker that can lower crime right now. At the same time, the sticker brings good will for the city of Hollywood.

Purses are stolen every day throughout the city, the county, the state. Why not start a movement right here in Hollywood?

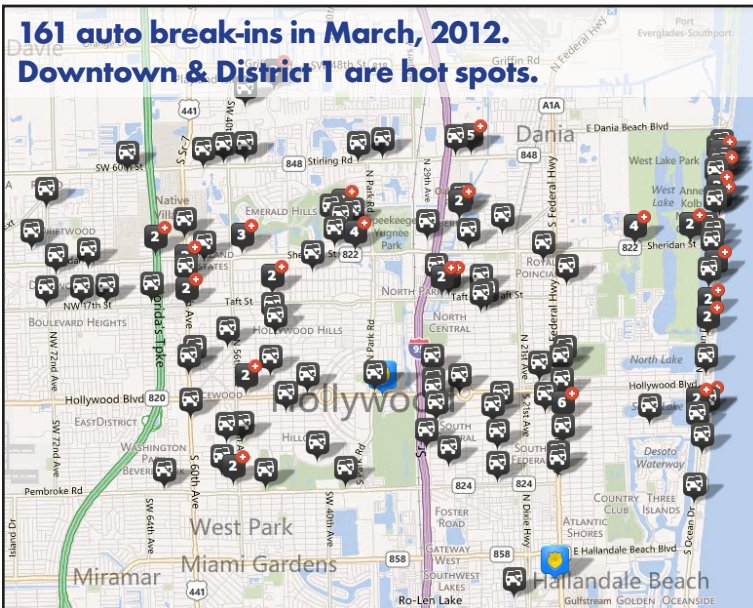

Instead of sending out mailings soliciting votes, send out stickers that help to make a difference. These are the ideas that will shape a better Hollywood.
